Please find below and/or attached an Office communication concerning this application or proceeding.

Art Unit: 3743

***Response to Amendment***

1. Receipt and entry of the reply filed on January 28, 2003, including the amendment to the claims, is hereby acknowledged.
2. Nevertheless, the reply filed on January 28, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): applicant has failed to provide support as required for the newly added limitations to base claim 1. In particular, applicant has failed to provide support for the added limitations relating to a floor vent divided by a second partition positioned behind the heater core, and selectively opened and closed by a floor door.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

3. To avoid confusion, the response to the instant Office communication should be a supplemental amendment to, and NOT a substitute amendment for, the amendment filed on January 28, 2003 since the aforementioned amendment has been entered in the file as already noted above.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ljiljana (Lil) V. Cirim, whose telephone number is (703) 308-3925. While she works a flexible schedule that varies from day to day and from week to week, Examiner Cirim
